Feedback

PRODUCT DESCRIPTION

The Hover-1 Liberty Hoverboard provides a convenient, stylish, and exciting form of transportation. The two driver motors can be controlled independently or with both feet for easy turns and smooth braking. The Hover-1 Liberty Hoverboard Includes an ultra safe and reliable UL-Certified battery and an easy to use charger with Safety Shielded battery enclosure with an IPX4 water resistance rating to keep your Hover-1 Liberty Hoverboard clean and safe. Cruise around on the most stylish Hoverboard on the market, with LED Lights your Hoverboard will provide endless fun for you and your friends and family. With a top speed of 7.4 and a lasting battery life, you can ride your Hover-1 Liberty anytime, anywhere. The Hoverboard can go up to 6 hours on just one charge, and with a speedy full charge time, you can get back to riding faster than ever. **Hover-1**

Liberty Black:

- IPX4 Water Resistance
- Built-In Rechargeable Battery
- Lightweight Protective Housing
- Battery Life Indicator
- Safety Shield Enclosure
- LED Lights
- Charge Time: Up to 6 hours
- Max Speed: Up to 7.4 mph

Terms and Conditions

Domestic (US) Orders

- * Domestic orders are shipped within 2 business days from receipt of payment.
- * Please be aware that your order may be processed on the following business day after you check out.
- * Domestic ya are sent via standard USPS or Fedex service.
- * Standard shipping service may not be available to some addresses. Additional charges may apply.
- * Orders to PO boxes, Alaska, Hawaii, Puerto Rico, US protectorates, and military addresses require an additional shipping charge. Please inquire about this charge BEFORE you purchase.

Returns, Refunds, and Cancellations

- * We stand by the items we sell and will issue a full refund including freight charges on any defective or ship damaged item.
- * Please inspect your item as soon as it arrives, we only accept reports of shipping damage within 14 days from delivery.
- * We understand that our customers may change their mind after purchasing a product. We will accept returns on these orders, although the shipping charges and a restocking fee will be withheld from your refund.
- * All returns must be shipped to the appropriate facility for processing. Before returning a product, please contact us to receive return instructions.
- * Items must be returned within 30 days from purchase.
- * Refunds may take up to 21 days to be issued after your return is received.
- * When you submit your payment, your order will be automatically processed. We may no longer be able to change or cancel your order.
- * After the order is received, we cannot update your shipping address address. The order will be shipped to the address you submit with your payment.
- * Please contact us with any special requests before ordering.

Brand: Hover-1

This stellar hoverboard is lightweight and supports a weight ranging from 45 to 220lbs making it perfect for all levels of riders. Riding the hoverboard is simple, fun and easy. Step onto our non-slip foot pedals to activate the dual 200W motors and control how you move with just a little shift in your weight. You will be able to move all directions, spin, turn and glide on your brand-new Hover-1 All-Star. You can take your Hover-1 All-Star on all types of adventure. Zip through a park, take it across a college campus to get to class on time, or simply just take a leisure stroll through the neighborhood. All of these are possible when you cruise around at a comfortable max speed of up to 7 mph. The possibilities are endless on this incredible Hoverboard. The Hover-1 All-Star also comes with an IPX4 Water Resistance rating to protect against minor splashes. Before you ride your new Hoverboard, please make sure to charge the board for a few hours to ensure the battery is full.

Hover-1 Allstar UL Certified Electric Hoverboard w/ 6.5in LED Wheels, LED Sensor Lights; Lithium-ion 14 Cell Battery; Ideal for Boys and Girls 8+ and Less Than 220 lbs:

Payment Policy

We gladly accept payment through PayPal.

All payments made using PayPal are subject to their terms and conditions.

PayPal™

Return Policy

We pride ourselves in selling quality products and stand behind everything we sell.

Your satisfaction is our top priority!

Please contact us before leaving negative feedback if you have any issues with your order.

If you're not 100% satisfied with your order, we will gladly accept your return, exchange or replace the item for you.

All returns are accepted within the first 30 days. Restocking Fee may apply.

Shipping Policy

All of our orders are shipped the same day or next business day.

We are a dependable company located in the United States.

Most of our items are shipped via USPS or UPS, it just depends on the weight of the package.

Normally the delivery time within the USA is 2-7 business days.

We update the tracking number on eBay as soon as your item is shipped.

Package Includes:

- SWAGTRON Swagboard Vibe T580 Bluetooth Hoverboard
- Charging adapter

Requirements/Disclosures:

• **Notes:**

- **Model: T580**
- **UPC: 8 58212 00655 2**

• **Product Requirements:**

- Bluetooth smartphone device
- SWAGTRON app
- Power outlet

Step on the Swagboard Vibe T580 and bring your soundtrack on your next neighborhood adventure. Cruise up to 7.5 miles per hour for a range up to 8 miles on a single battery charge. Or climb those 30-degree hills on campus and get to your next class with time to spare.

Unlock advanced features with the SWAGTRON companion app, compatible with iOS and Android. Check battery life, monitor system stats, track your route and more. Use the app to play music on the Vibe T580's built-in dynamic Bluetooth speaker, or switch riding modes between "Learning" and "Standard." Ready for a challenge? Activate "Advance mode" via the app and unleash the beast.

We've packed the Vibe T580 with loads of in-demand features. But doesn't mean we forgot the basics. Riding is as simple as start, steer and stop. Hop on the slip-safe foot pads and navigate with your feet. Intelligent gyroscopic sensors know where you want to go and powerful dual motors take you there. Just shift your weight to control the ride.

Like all SWAGTRON Swagboards, the Vibe T580 has passed rigorous safety tests for UL2272 certification. Our patented SentryShield® and Smart Battery Management technology offer additional multi-layered protection against over-voltage and extreme spikes in battery temperature.

Other features include bright LED headlights, on-board battery and system indicators and non-slip foot pads.

The Vibe T580 is sturdy enough to support riders between 44 and 220 pounds. It's also lightweight enough at just 20 pounds to be easily carried when you're on the go. Pair it with one of our Swagbags for the perfect complement to your Vibe.

Jun 26, 2020

Disappointing

We have only had our hoverboard for a couple of months. The battery no longer holds a charge. The hoverboard constantly beeps and the right and left will not line up. Really sad because my son loved this toy when it worked.

About UL

UL is an international science safety company whose goal is to insure safety to consumer's products. UL was founded in 1894 and in 1903 developed the first standard for safety. In 1913 changed building construction by improving construction standards of walls. In 1921 UL Certified First Refrigerator. Tests range from shock hazard to the ability of small kids being able to open it from the inside. In 1923 UL certified the first Burglary-resistant Safe. 1930 UL certified the first Automatic Dish Washer. 1937 UL certifies the first washing machine. 1939 UL certified the first black and white TV. 1940 UL certifies the first vending machine. 1966 UL certified the first seat belt. In 1975 UL developed the Federal Television Standard in response to 10,000 reports of TV Tube fires. 1978 UL certified the first personal computer. In 1988 UL certified the first bullet resistant vest for police.

To read more, visit <http://www.ul.com/aboutul/history/>

Package may show one or more of the following signs of slight distress that occurred from transportation between warehouses: Creasing, indents, slight tearing, sticker residue.

Junk battery or something

It worked for about 20 minutes of ride time, needed to be charged and then would not charge. We now need a new one.

----------------------	------------------------

Liegate hoverboard black used w/ charger. Condition is Used. Lightly used. Very fun. I'm am selling this because it isn't great for the area I live in. I live in a very rural place and it doesn't do great with the obstacles that come on the roads and ground.

DESCRIPTION

Hoverboard in Pink Chrome with Bluetooth Speakers

Model: Z1-PNK-BT-2

Condition: New

Description:

Fun and easy for everyone to learn, especially children. It is sleek and smooth due to its 2 x 250 watt powerful motors. With its anti-slip pedals, offers you a safer trip. Whether you want to zoom around your house or cruise to your neighbor's. With 6.5" mega wheels, enjoy yourself!

Features and Specifications:

- Ideal for providing extra entertainment on your short distance commuting between your BT devices.
- Features UL-2272 certificated smart battery
- Battery charging requirement: 110-120V, 50-60 Hz

Feedback

- Ideal for providing extra entertainment on your short distance commuting between your BT devices.

- Features UL-2272 certificated smart battery

- Battery charging requirement: 110-120V, 50-60 Hz

- Battery Type: 36V/4.0Ah Lithium Battery

- Maximum load capacity: 220lbs

- Minimum load capacity: 44lbs

- Overall dimension: 23" (L) x 7.3" (W) x 7" (H)

- Maximum Speed: 6 mph

- Maximum riding range: 9 mile, depending on terrain, riding habits and load

- Maximum climbing angle: 17 Degree, depends on load

- Turning radius: 0 Degree

- Running Distance: You can ride about 9 miles when it's fully charged (takes about two hours for full charge)

- Climbing gradient: 6.5 inch dual tires, dual motors, 25 degree climbing gradient is suitable for most terrains

-Load capacity: Max loading of 220 LBS, fun for the entire family!

-Charge Time - 2 Hours

-Weight - Max 220 Lbs

-Distance - 9 Miles

-Top Speed - 6 mph

- Batteries and charger are protective from overcharging and over-discharging, fire-resistant and explosion-resistant

- Splashing-resistant and anti-impact case

- Non slip pedals and tyres

- Tire size: 6.5 inches

- Built-in 5 Watt BT Speaker

- LED lights on wheels and rims

Item weight about 13 lbs

This item is UL 2272 certified please click this link to view UL certification

Terms of Sale:

Payment:

We accept PayPal (Visa, MasterCard, Discover, American Express) at this time. Please have the same and correct address in PayPal and eBay. Sales Tax may be added based on eBay's policy and where applicable. eBay collects the sales tax, I do not get any of it. eBay collects it and handles it with the each state.

Shipping:

Most orders are shipped out via UPS ground or USPS Priority Mail within 1-2 business days of receiving cleared payment. We currently do not offer international shipping, unless specified in a listing. Shipping to PR, HI, AK, VI, MP, APOs and PO Boxes carries a surcharge (please make sure to contact me before purchase).

As mentioned above, please ensure that your address on PayPal and eBay match and are correct, this protects buyers and sellers should anything happen during shipment.

Returns/Exchanges:

We guarantee against manufacturers' defects for 30 days from the date of the delivery. All returns/exchanges must be made within 30 days of delivery. Products with Manufacturer Warranties which exceed 30 days, may be returned directly to the manufacturer according to their instructions

Feedback

Returns/Exchanges:

We guarantee against manufacturers' defects for 30 days from the date of the delivery. All returns/exchanges must be made within 30 days of delivery. Products with Manufacturer Warranties which exceed 30 days, may be returned directly to the manufacturer according to their instructions

MUST be in original factory condition, and must include all original packaging materials, warranty cards, manuals and accessories, no exception can be made with this. Buyers are responsible for the return shipping cost. All returns **MUST** have a Return Merchandise Authorization number (RMA#) obtained via e-mail from myself or the return will not be accepted by the warehouse.

Unwanted product returns (for example: you simply changed your mind and no longer want the product, etc.) will be subject to a 20% restocking fee.

Some items in particular, such as reconditioned items and televisions, are final sale (unless received damaged or is grossly misrepresented).

POLICIES

Payment

Shipping

Returns

We accept PayPal, Apple Pay, Google Pay and all major credit cards. Sales Tax may be added based on eBay's policy and where applicable. eBay collects the sales tax, I do not get any of it. eBay collects it and handles it with the each state.
